Forty (40) burial permits, thirty-two (32) milk licenses, six (6) alcohol licenses and fifteen (15) licenses for transportation of garbage were issued during the year.

The following report of the Dental Clinic is submitted by Dr. Burt who supervises this work. Because of lack of funds and bad weather there were fewer clinics this year than in former years. The services were rendered by Dr. Frank Birtwistle and assisted by Mrs. Mercer.

April 14, 1944, a T. A. T. clinic was held with an attendance of 16 children, receiving their first inoculation.

May 5, 26 and June 20 were the dates on which subsequent clinics were held.

August 24th a clinic was held for vaccination, one at Greenwood Park for the convenience of the north residents and later at the Town Hall.

Three visits were made to the Pediatric and Nose and Throat clinics with children.

Respectfully submitted,

SYBIL L. MERCER, R. N.

Collected for Nursing services	\$63.00
--------------------------------	---------

The pre school diphtheria prevention injections have no connection with the Board of Health but are a volunteer service made by Dr. Burt and Mrs. Mercer. Four clinics were held at the Town Hall at no expense to the town.

The many complaints regarding flies and odors from the piggeries in town which have been received by our Board, lead us to question the wisdom of continuing the practice of allowing Westport to be the dumping ground for Fall River and Newport garbage and we are now seriously considering the advisability of adopting regulations forbidding this practice after January 1, 1946.

It is a pleasure to report that in consequence of increased charges for the inspection of animals slaughtered in the Town, during both 1943 and 1944, the town has received a substantial balance in excess of the cost of inspection. This surplus revenue is not available for our expenses but is paid directly to the Town Treasury.

Respectfully submitted,

E. W. BURT, M. D.

REPORT OF THE TRUSTEES OF THE WESTPORT FREE PUBLIC LIBRARY

The Trustees of the Westport Free Public Library submit the following report for the year ending December 31, 1944:

The Board organized as follows:

Chairman	Nason R. Macomber
Secretary	Anne C. Gifford
Librarians	{ Ruth Woodland
	{ Imogene Brownell
Book Buyers	{ Anne C. Gifford
	{ Ruth Woodland

The Library hours for the year of 1944 were substantially the same as during the previous year, viz: every other Saturday from 2:30 to 5:30. This change as you will recall was made because of gas and heat rationing.

The Board did not appoint any assistant Librarian as we had appointed two high school girls to be the Librarians under the supervision of Mrs. Gifford. This plan has worked out exceptionally well.

This year our circulation is much better than 1943 in spite of all rationings, and is as follows:

Adult Fiction	1,770
Juvenile Fiction	637
Non-fiction	124
Magazine	109
School Deposits	1,093

We have book deposits in four of our schools but the one at the Factory Junior High still takes top honors for interest and numbers of books read. The pupils get a State

certificate for reading a certain number of books on the State reading lists.

The Bookmobile has been very helpful in lending books to schools that did not have book deposits and in furnishing books to our townspeople who were unable to come to the Library.

Our appropriation was spent for Librarians' salaries, books, supplies and magazines; details of which are to be found in the financial report of the Town Accountant.

There are numerous pamphlets and leaflets in the magazine rack dealing with everything from A to Z. Also monthly pamphlets from some of the liberated countries of Europe such as The Netherlands and France. The following magazines are on hand at all times:

National Geographic
Good Housekeeping
Cosmopolitan
Life

Popular Mechanics
Dumb Animals
Young Crusader

Although our report has of a necessity been very brief, we do wish to extend a hearty thanks to all our patrons and hope that in the new year we can give them as many pleasurable hours of reading as they may desire.

Following is a list of books added during the year 1943:

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee of the Town of Westport

Gentlemen:

In accordance with custom I submit the fifty-second in the series of annual reports of the school superintendents of this town.

FINANCIAL SUMMARY — 1944

School Funds — Local Sources	\$82,664.69

Special Appropriation Covering Teachers'	
Retirement for Members in Military Service:	
Chapter 419, Acts of 1943	230.75

	\$86,984.49
Estimated Receipts (To Revenue)	9,382.30

ESTIMATED NET COST - 1945	\$77,602.19

Because of the difficulties involved in getting a report printed at this time and in support of the Board of Selectmen's request that we keep our report as small as possible, the School Committee has directed me to omit as much as possible within the law.

I do feel that public acknowledgment of the voluntary services of the Reverend Maurice E. Lamontagne of St. George's Parish and Mr. Harold Dame, Pastor of the Union Church at Westport Factory in handling boys' playground activities at the Factory School, is due. With no men teachers available their work with these teen aged boys is of unusual value and I deeply appreciate their services.

I also wish to recommend that, in connection with any post-war planning activities that may be undertaken, a representative committee of our citizens study the possibilities of developing a modern school plant for Westport.

Within the Department we are aware that the war training programs have developed possibilities in the field of public school education and we propose to study ways and means to make our post-war school system better adapted to the needs of our pupils, the community and our Nation than ever before.

Respectfully submitted,

MILTON E. EARLE,
Superintendent.
